

CURRICULAM VITAE

- I. Name : **SRINIVASAN BALASUBRAMANYAM**
- Date of birth : 14th February 1950
- Date of joining ICMR : 3rd March 1988
- Designation : Assistant Director
National Institute of Epidemiology
(Indian Council of Medical Research)
No.271, Nehru Bazaar, Avadi, Chennai,
Tamil Nadu, INDIA. PIN 600 054
Phone: 2655 5654, 2655 5308
- Residence Address : Dr. S. Balasubramanyam
No.31/9D, First Main Road,
J.B.Estate, Avadi, Chennai 600 054.
Phone No.2655 4032

- II Educational Qualification : M.B.B.S.,

Degree	Name of the Institution	Year
M.B.B.S.,	Rangaraya Medical College, Kakinada Andhra University	1974 – 75

- III Andhra Pradesh Medical Council Registration : No.8795
No. & Date : Dated: 29/01/1976
- IV Tamilnadu State Medical Council Registration : No.33700
No. & Date : Dated:09/07/1980
- V Period of House Surgery : 11/01/1975 – 10/01/1976

VI Research and Teaching Experience:

Duration	Name of the Institution	Particulars
A. 01/06/2001 to till date	Assistant Director *National Institute of Epidemiology, ICMR Avadi, Chennai – 54.	a. Epidemiological profile of acute lower respiratory tract infection study b. Verbal autopsy study c. Global disease burden in HIV/AIDS study d. Disability studies in Leprosy e. Drug trials in Leprosy.
B. 01/06/93 to 31/05/2001	Senior Research Officer *National Institute of Epidemiology, ICMR Avadi, Chennai – 54.	a. NELP activities b. Quiet Nerve Paralysis c. Immuno Epidemiological Studies with Mycobacterial Antigens d. Leprosy Vaccine Trial (South India) e. Drug Trials f. Rapid Assessment Methods g. Scar Reading h. Evaluation of MLEC 2 Activities under NLEP in Uttar Pradesh State i. Verbal Autopsy on Cause of Death – Pilot Study
C. 03/03/88 to 31/05/93	Research Officer C.J.I.L. Field Unit, ICMR Avadi, Chennai – 54	a. NELP activities b. Quiet Nerve Paralysis c. Immuno Epidemiological Studies with Mycobacterial Antigens d. Leprosy Vaccine Trial (South India)
D. 22/12/83 to 02/03/88	Senior Medical Officer David Rees Leprosy Hospital, Yerpedu P.O. Chittoor District, A.P. PIN 517 619	a. Conducting M.D.T. Clinics as per NELP Pattern b. Teaching and Training the Para Medical Worker c. Looking after the 30 bedded in patient ward and out patient
E. From 1976 to Dec., 83	Private Practioner	Private practice in remote rural areas

* C.J.I.L Field Unit till 1998

VII Publications:

1. Gupte M.D., Vallishayee R.S., Mahalingam V.N., Nagaraju B., Balasubramanyam S., Harikrishnan S., and Ahas Daniel Raj C. "Monitoring Regularity for Drug Consumption by Patients". Abstracts book of the XVI Biennial Conference of the Indian Association of Leprologists, November 1989 (P-115).
2. Nagaraju B., Balasubramanyam S., Vallishayee R.S. and Gupte M.D. "Efficiency of Different Methods for Case Detection" (FC-55).
3. Gupte M.D., Vallishayee R.S., Nagaraju B., Anantharaman D.S., Balasubramanyam S. and Britto R.L.J. "Design and Methodology for Comparative Leprosy Vaccine Trial" (P-14).
4. "Studies on Rapid Assessment Methods in Leprosy" Ind.Jl. Of Leprosy Vol.70 (2) 1998 (165-177) 1998.
5. "Comparative Leprosy Vaccine Trial in South India" Ind.Jl. Of Leprosy Vol. 70(4) 1998 (369-388).

VIII Conferences / workshops:

1. Attended the XVI Biennial Conference of the Indian Association of Leprologists held at Trichur on 10th and 11th November 1989 presented post presentation.
2. IAL Workshop held at Tirupati on 21st and 22nd January 1991.
3. Workshop-cum-training programme on 'Reversal Reaction and Relapse after Multi-Drug Therapy in Leprosy' organized by Dhoolpet Leprosy Research Centre in collaboration with IAL, at Hyderabad, on 8th and 10th December, 1991.
4. Attended XIII Annual Conference of the Indian Society of Medical Statistics and Symposium on measurement of change in maternal and child health on 22-24th November 1955, organized by Institute for Research in Medical Statistics (ICMR), Chennai and presented a paper on "Rapid Assessment Methods in Leprosy".
5. Attended XIX Biennial Conference of Indian Association of Leprologists at B.J.Medical College, Pune, held on 15th to 17th December 1995, organized by Pune District Leprosy Committee & Dr. Bandorawalla Leprosy Hospital and presented a poster presentation on "Rapid Assessment Methods in Leprosy".
6. Attended XXI Biennial Conference of Indian Association of Leprologists at P.I.M.E. & R. at Chandigarh held on 17th to 19th September, 1999.
7. Workshop on "Experience with ROM and 12 month MB Regimen in Treatment of Leprosy " 21st September to 4th October 2001 at Chennai.
8. Attended Workshop on "surveillance, Epidemic Preparedness & Responses" at NIE, ICMR from 26th November to 6th December 2001 as a facilitator.

IX Meetings:

1. Attended the Epidemiology Committee Meeting of the C.J.I.L. Field Unit held at Avadi on 14th March 1990.
2. Attended the meeting of the Expert Group of Immunologists held at C.J.I.L. Field Unit, Avadi on 21st July 1990.
3. Epidemiology committee meeting of the C.J.I.L. Field Unit at Avadi on 29th June 1990 (Gupte M.D., Vallishayee R.S., Sreevatsa, Balasubramanyam.S. and Britto R.L.J.).
4. Second Meeting of the Sub-Group of Monitoring Committee for Leprosy Vaccine Trial at D.M.S. Chennai on 17th march 1992. (Gupte M.D., Vallishayee R.S., Nagaraju B., Sreevatsa, Anantharaman D.S., Balasubramanyam.S. and Britto R.L.J.).
5. Epidemiology Committee Meeting of the C.J.I.L. Field Unit at Avadi on 20th April 1992. (Gupte M.D., Vallishayee R.S., Nagaraju B., Sreevatsa, Anantharaman D.S., Balasubramanyam.S. and Britto R.L.J.).
6. Monitoring Committee Meeting of the C.J.I.L. Field Unit at TRC, Chennai on 22nd July 1992. (Gupte M.D., Vallishayee R.S., Nagaraju B., Sreevatsa, Anantharaman D.S., Balasubramanyam.S. and Britto R.L.J.).
7. Symposium on “Leprosy Epidemiology Research and NLEP” TB Research Centre, Madras, 5th February 1996.
8. Monitoring Committee Meeting on Leprosy Vaccine Trial on 9th September 1995 at Tuberculosis Research Centre, Madras.
9. Symposium on “Leprosy Epidemiology Research and NLEP at T.R.C., Madras, on 5th February 1996. As a part of 85th Anniversary Celebration of ICMR.
10. Epidemiology Committee Meeting of the C.J.I.L. Field Unit held at T.R.C., Madras on 8th August 1996.
11. Independent Expert Panel for Assessing Diagnostic Procedures in the Second Resurvey of Leprosy Vaccine Trial met at CJIL Field Unit, Avadi an 5th December 1996.

X Training:

1. Medical Officer's Training Course at Schieffelin Leprosy Research and Training Centre at Karigiri, Tamilnadu from 27th January to 8th March 1986.
2. Epidemic Preparedness and Response at the National Institute of Epidemiology, Chennai 2nd to 11th January 2001.
3. Verbal Autopsy: Independent Study on Cause and Death Classification System – 16th July to 20th July 2001 at IOHS, Hyderabad.

XI Research Experience:

Planning, Designing and Execution of Epidemiological Clinical Controlled Trials and Vaccine Trials, involvement of Macro and Micro planning, intervention studies with different Drug Regimens, Storing Data in Computers with LAN. Skills adopted to create awareness on the community, and community participation. Invited to participate in scientific committees of the institute.

Other Assignments

Independent Evaluation of NLEP 27th March to 17th April 2000 in Uttar Pradesh State (MLEC-II)

XII Administration Experience:

Management of Field Staff with respect to their leave, deployment for various teams for Research studies. Acted as a member for appointment committees to recruit staff, purchase committee and other administrative decisions.
